The President states that the following two have greatly decreased due to war conditions as compared with the collection made during the same period last year:-

(1) Octroi which in the year 1941-42 was Rs. 1,50,000/- less than the collection made during the same period last year.

(2) Octroi on Sugar which in the year 1941-42 was Rs. 1,50,000/- less than the collection made during the same period last year.

The Municipal Committee, Amritsar have also decided to impose a surcharge of 1 pie per maund on sugar and 1 pie per maund on gur in addition to the existing octroi duties. The Committee has also decided to impose a surcharge of 1 pie per maund on sugar and 1 pie per maund on gur in addition to the existing octroi duties. It is hoped that the Committee will be able to realise Rs. 1,50,000/- during the year 1942-43 by the imposition of the surcharge. The Committee has also decided to impose a surcharge of 1 pie per maund on sugar and 1 pie per maund on gur in addition to the existing octroi duties. It is hoped that the Committee will be able to realise Rs. 1,50,000/- during the year 1942-43 by the imposition of the surcharge.

In view of the above circumstances, I am directed to request that the Municipal Committee, Amritsar may be allowed to retain the amount of Rs. 30,000/- out of the proceeds of octroi collected during the month of June 1942 and to adjust the same against the over-draft of Rs. 30,000/- sanctioned by Government. ---

In inviting kind reference to my letter No H C 136/41-42 dated the 16th June 42 requesting that kind recommendation be made to extend the period of adjustment of over draft of Rs 5 000/- till the end of December 1942 I bring to your kind notice that the local Treasury declines to honour the cheques of the Municipality since the over draft amount is not adjusted by the end of June 42 as directed in G O No L 6113/M1 110-41-10 dated 17-1-42 I have explained the circumstances under which the amount could not be adjusted and no order has yet been passed on my letter mentioned above It might naturally take some time for obtaining the orders of Government in the matter In the meanwhile the Municipality has to incur expenditure to pay its staff and also for arrangements connected with the visit of His Highness the Maharaja Unless the Municipality is permitted to issue cheques and draw amounts from the Treasury the Municipality will be very much handicapped in carrying out the works connected with the visit of His Highness Every day cooly has to be paid and no labour could be secured if payment is not made promptly There is/much time before us not

In the above circumstances I request that an immediate reference may kindly be made to Government and sanction obtained permitting the Municipality to operate on the Treasury at least till orders are passed on the reference for extending the period of repayment of the over draft till the end of December 1942
